

Role Title - Sanitation Lead

Job Purpose:

The Sanitation Team organises and maintains the toilets at Kiwiburn and manages MPW waste. Sanitation coordinates with external contractors to make this all happen efficiently and effectively. You will also manage a team of volunteers who will be rostered on to clean, restock and generally maintain the toilets.

This is not the most glamorous position, but it is critical to giving the Kiwiburn participant the best and cleanest experience possible!

Key Responsibilities:

- Work with Operations Lead to order toilets
- Work with Operations and Town Planning to place toilets on site
- Manage volunteers to clean and maintain toilets

Working Relationships:

- Operations Manager
- Town Planner
- Volunteer crew
- Contractors

Time Commitment:

- **Year round:** 10 - 20 hours
- **On site:** Rostered shifts
- **Post Event:** 5-10 hours mostly to produce afterburn report

Necessary Qualities, Knowledge and Experience:

- Good communication skills
- Ability to train and organise volunteers
- Good organisational skills

Desirable Qualities, Knowledge and Experience:

- Previous experience working in the Kiwiburn organisation
- Drivers Licence
- Not easily grossed out
