

### **Role Title - MOOP Army**

#### **Job Purpose:**

The MOOP Army are the people who make sure leave no trace means NO trace.

During exodus the crew walks around helping people remember to take their MOOP with them, monitoring hotspots where participants are known to leave rubbish such as the swimming hole, Greeters area, gateways and the Keyhole. Optional is to photograph areas for later reference when creating MOOP map. The 'territory' of theme camps and art installations are marked with flags so they can be checked and rated for the MOOP map.

Post event the MOOP crew sections off the Paddock and performs repeated sweeps, collecting any and all MOOP, returning stones to the river, and removing sticks and other detritus. Each camp's MOOP is collected, photographed and itemised for the MOOP map. Public areas are also recorded. All MOOP is disposed of in a skip.
