WELCOME HOME

NEW ZEALAND'S REGIONAL **BURNING MAN** EVENT

24 – 29 January 2018

Huntermville

[www.kiwiburn.com](http://www.kiwiburn.com)

## IMPORTANT INFORMATION

**BE RESPECTFUL:** Kiwiburn is held on private land. Please respect our hosts and their beautiful farm! Drive carefully to the Gate at 5km/h, following the signs. Please respect any boundary tape we have put in place – it is there to protect your safety. Don't cross the river or climb the cliffs! If you are found outside festival grounds, you may be evicted from the event.

**BLACK SHEEP RANGERS:** (Formerly Paddock Relief). Volunteers in bright green t-shirts who help ensure the safety of the site and participants. If you see a concerning situation, alert your nearest Ranger or go to their headquarters: the purple building at the back of the lower paddock.

**BURN NIGHTS:** We have two separate burns: The Effigy on Saturday night and The Temple on Sunday night! Keep an eye on the Depot white board for potential other art installation burns. You **MUST** have prior approval to burn your installation!

**CARS:** No cruising! The Kiwiburn site is designed for pedestrians and bicycles. No cars, motorcycles, ATV's, golf carts or go-carts are allowed to drive in our town or the surrounding area except for registered art and safety vehicles. (Visit The Depot to register a vehicle).

**COMMERCE: You can not buy or sell anything.** Kiwiburn is a place of sharing and free exchange within a gift economy. The only exception to this is the purchase of ice (see below).

**THE DEPOT:** The Depot is our on-site information and volunteer hub. Wanna buy some ice? Depot. Wanna sign up for a volunteer shift? Depot. Lost wallet, keys or phone? Depot. Need to contact the Site Manager? Depot. General questions? Depot. Come write your event on our blackboard and enjoy the view from the front yard. Open 10am–5pm daily.

**EMERGENCIES:** Medics are on duty 24 hours a day. They are situated near the Depot and are equipped with radios, as are Black Sheep Rangers. There is always Site Manager on duty and Security at night, easily identifiable in hi-viz vests.

**FIRE BAN:** There are to be **NO** open fires outside the organised burns on Saturday/Sunday except those pre-registered with the Ops team. Gas cookers are ok. Fire spinning is ok in the fire spinning areas.

**GATE:** Opening times for Gate are:  
Wednesday: 8am – 2am  
Thursday: 9am – midnight  
Friday: 9am – midnight  
Saturday: 9am – 6pm  
Sunday: closed

A security firm will be at the Gate outside of these hours. They are here to help so please be courteous and nice!

**GREY WATER:** Most camps need to dispose of grey water during Kiwiburn. Grey water is produced from cooking, dish washing, and hair and body washing. Grey water can be dumped anywhere on the Paddock, we only ask that you consider where people walk before you create puddles. Do **NOT** wash your dishes in the swimming hole!

**ICE:** The only thing sold at Kiwiburn is ICE! For sale at The Depot during daytime hours (10am–5pm). Please try to have exact change (\$5/bag).

**IN/OUT:** Once on site, we want you to stay there! However, if you **need** to leave, you'll pay \$20 per vehicle for the privilege of doing so. Cash only.

**LOST AND FOUND:** Small valuables like phones, wallets and car keys can be brought to The Depot. Clothes and other items are your responsibility.

**MEDIA:** We continue to get a lot of publicity thanks to our Media Team so we expect to have some media personnel on site. They will be easily identifiable; wearing a Media Pass, and walking around with a Kiwiburn Liaison.

**MOOP (Matter-Out-Of-Place):** Our community respects the environment. We are committed to leaving no physical trace of our activities wherever we gather. If you see MOOP, pick it up. You are responsible for ensuring your campsite is clean before you leave. Please do not leave food scraps.

**MPW:** The Ministry of Public Works team works tirelessly before, during, and post-festival to create the infrastructure needed for the festival. The MPW are

a crazy bunch (you gotta be to do that work) so if you see them working in the hot sun, we're sure they'd appreciate a cold drink or beer!

**PADDOCK UNLIMITED RENEWABLE ENERGY CO-OPERATIVE (PURE-C):** The Home for Wayward Girls and Boys is offering 12volt batteries and a solar charging service to anybody who wants to make use of them. See Captain Lumos for more info. Greeters and Town Hall will be running off of PURE-C!

**RUBBISH:** Remember: Kiwiburn is a Leave No Trace Event. Pack it In, Pack it Out. We aim to leave the site cleaner than we found it. **TAKE YOUR RUBBISH HOME!** Do not empty rubbish or put anything other than human waste in the portable toilets. You are responsible for the condition of your campsite and nearby public areas of Kiwiburn. Clean up as you go!

**The nearest Waste Transfer Stations open will be:**
